## **WELCOME LETTER**

**Dear students,**

**Welcome to Hygiene with Medical Ecology Course!**

**Our Course is organised in three forms: lectures, practicals and seminars. It lasted 15 weeks.**

**According to the epidemiological situation, recorded lectures for our Course will be uploaded on the Official School of Medicine Platform under topics, just like for other Courses.**

**Practical lessons will be held at the Institute of Hygiene with Medical Ecology on Tuesdays at 9 a.m. Students will be split in two groups. We will start on Tuesday, 5th 2021. at 9 a.m.**

**Seminars will be organised after all practical lessons upon further notice by the School.**

**Please, bring us your photos for record card!**

**We are looking forward to meeting you !**
