

My dear students,

On 27<sup>th</sup> of November The Teaching Council of the Faculty of Medicine, following the recommendations of the Ministry of Education, Rectorate of University of Belgrade and the Dean's Board, brought the decision of full implementation of online teaching classes from Monday 30<sup>th</sup>, including practical classes, due to the critical epidemiological situation in Belgrade.

**Our first colloquium which was to take place 07 and 08 December 2020 are cancelled. Also make up of the first colloquia which was to take place in 15 of December 2020 is cancelled too.** Colloquia will not be conducted in any form, direct or online.

Best regards,

Prof. dr Dejan Nešić
