

Dear students,

Your work was reviewed twice by all teachers.

Given the current epidemiological situation with COVID19 and the fact that no one student has passed the final test (not even close to the minimum number of correct answers in order to pass the test as the whole and/or by parts), an insight into the test scheduled for Friday, January 29, will not be held.

Please, if any of you want to take a look at the test, please contact me by e-mail and we will make an appointment. This is not a problem, it is your right and our obligation.

With best,
