MEDICAL MICROBIOLOGY COLLOQUIUM 1 – REMINDER

Date: December 22, 2023 (Friday)

Time: 16:45

Place: Amphitheater SILOS

TEST

- 35 multiple choice questions with ONE correct answer
- each question – four (4) answers are offered
- if you think that you have flagged the wrong answer, put your signature next to the newly selected answer; the maximum number of corrected answers/questions are five (5)
- no any scribbling is allowed in the test
- be precise when you mark the correct answer, i.e. marking the answer between the two offered squares is wrong, and such an answer is not accepted

Please, arrive on time at colloquium, at least 10 min earlier.

For topics and other information about Med Microbiol Colloquium 1, please refer to the OP2023-24 Announcements from November 13, 2023.
