21.12.2020	Cardiac surgery	Acquired heart anomalies	A. Mikić	Clinic for cardiac surgery CCS
22.12.2020	Vascular surgery	Chronic ischemia of extremities	N. Ilijevski	Institute for cardiovascular diseases Dedinje
28.12.2020	Vascular surgery	Veins diseases	N. Ilijevski	Institute for cardiovascular diseases Dedinje
29.12.2020	Cardiac surgery	Congenital heart anomalies	M. Perić	Institute for cardiovascular diseases Dedinje

Instructions

- Lectures will be uploaded on Faculty portal on <http://studiesinenglish.med.bg.ac.rs/moodle/>
- Practicals will be held in 14 Teaching bases, clinics and hospitals
- There are 7 groups for practicals, each containing 5 students
- Duration of the practicals is limited to 90 minutes
- Lectures and practicals in Surgery are scheduled on Mondays and Tuesdays as noted in the timetable, except for the practicals in Simulation centre (2nd week, October 12-16th)
- **Please note that First and second week have different timetable to the rest of the course (read further)**
- Students have to follow closely obligatory instructions related to epidemiological situation due to Covid-19 pandemic.

Epidemiological instructions

- Student have to rally at meeting point 15 minutes prior to start of the practicals in the teaching hospital. Gathering points will be visibly signed in each hospital. All students must wear face masks.
- After all groups are assembled, clinical assistant in charge will follow students to the wardrobe designated for student dress-up.
- Students must change their clothes to either scrubs or white medical uniform (trousers and blouse) with the white coat above.

Epidemiological instructions

- Students also have to put on either disposable shoe-covers provided by the hospital, or their own white or green clogs.
- Beside face mask, students must wear protective face-covers or shields which should be provided by the Medical Faculty.
- Mobile phone usage is prohibited during practicals.
- After complete dress-up, students will join clinical assistants in charge for each group on hospital departments.
- Upon finishing of the practicals, students are free to change their clothes again in the wardrobe.

First week (October 5-9th)

- Subcourse: Anesthesiology and reanimatology
- Lectures will be published online
- Practicals location: First surgical Clinic, Clinical Centre of Serbia (CCS)
- Meeting point: Posterior entrance of the First surgical Clinic, in the basement
- Practicals start at 8.30h and 10.30h for different groups (meeting at 08.15h and 10.15h respectively), (groups timetable will be posted later)

Second week (October 12-16th)

- Subcourses: Anesthesiology, reanimatology and General surgery
- Lectures will be published online
- Timetable for practicals and Simulation centre (University of Belgrade, Medical Faculty, UBMF)

Location and time	Monday 12th	Tuesday 13th	Wednesday 14th	Thursday 15th	Friday 16th
Practicals First Surgical Clinic, CCS 8.30-10h (Meeting at 08.15h)		General surgery: Introduction and Diagnostic procedures in Surgery (all 7 groups)			
Practicals Simulation Centre, UBMF 13-16h	CPCR and reanimatology (all 7 groups)	CPCR and reanimatology (all 7 groups)	CPCR and reanimatology (all 7 groups)	CPCR and reanimatology (all 7 groups)	CPCR and reanimatology (all 7 groups)

October 19th – November 30th

- Subcourses: General and digestive surgery
- Lectures will be published online
