Abbreviations: VS: Vascular Surgery; **CS:** Cardiac Surgery;

Dear students,

Starting from Tuesday, December 7th for following four days (7,13,14 and 20th), you will continue your Course in Surgery with Vascular and Cardiac surgery sub courses at Second Surgical Clinic of the Clinical center of Serbia

Lectures will be published online, with a possibility for online consultations with a lecturer during the same week, which we will arrange later during the week.

For practicals, students are divided into 8 groups (every group to two subgroups) according to previous Faculty's instructions, with 2-3 students in each subgroup. **Practicals start at 08.00h (subgroups A) and 9.30h (subgroups B) for which you must gather 15 minutes before (07.45 and 9.15h) at the posterior entrance of the Second surgical clinic**, Clinical Centre of Serbia, where you will meet Assistant in charge for student assignment for each day. All students must be equipped with a complete gear for surgery, including the formentioned Covid certificate, masks, lab coats, scrubs and cloggs or dedicated sneakers.

Looking forward to see you soon!

Responsible Course Director,

Prof. M. Marković
