Mini Symposium

Belgrade, April 19th -23rd 2021

Instructions for writing abstracts in electronic form:

Abstracts should be written in Serbian (Cyrillic) and in English language.

The font you are using is Calibri (Body), and the font size is 9. You need to set the page format to A4, (Page layout - Size - A4), while the Margins should be Normal (Page layout - Margins - Normal).

Set the spacing between rows to Single, while setting the spacing before and after the paragraph to 0 (Paragraph - Spacing - before / after = 0).

Align text to the left, with the exception of titles written in both Serbian and English language, which should be placed in the middle of the line - Centered.

The number of words per abstract is limited **to 300 words** (from introduction to conclusion, excluding keywords and titles. (Review - Proofing - Word Count)

Pay special attention to the abstract in both Serbian and English to one side! All words and abbreviations that are not written in Serbian should be written in English alphabet, italic style.

Also, abbreviations of English language must be written in English alphabet. Decimal numbers in the Serbian language are written with "comma" (1,25), while in English language they are written with "full stop" (1.25)

The abstract should include:
