

Based on Article 135 of the Statute of the Faculty of Medicine, University of Belgrade, the Teaching-Scientific Council of the Faculty of Medicine in Belgrade, at the proposal of the Teaching Council (Decision No. 8310/3 dated October 6, 2025), at the session held on October 10, 2025, adopted the following

DECISION

Conditions for Enrolling in the Second Year of Study

To enroll in the second year of study, a student must earn a minimum of 30 ECTS credits during the current academic year to enroll as a self-financing student.

Repeat-year students may enroll in the second year either under the above-mentioned conditions or under the conditions that were defined for the 2024/2025 academic year.

Conditions for Enrolling in the Third Year of Study

To enroll in the third year of study, a student must earn at least 30 ECTS credits during the current academic year to enroll as a self-financing student. Additionally, the total number of ECTS credits from courses being carried over and newly enrolled courses (all third-year courses) must not exceed 90 ECTS credits.

Repeat-year students may enroll in the third year either under the above-mentioned conditions or under the conditions that were defined for the 2024/2025 academic year.

Conditions for Enrolling in the Fourth Year of Study

To enroll in the fourth year of study, a student must earn at least 30 ECTS credits during the current academic year to enroll as a self-financing student. Additionally, the total number of ECTS credits from courses being carried over and newly enrolled courses (all fourth-year courses) must not exceed 90 ECTS credits.

Repeat-year students may enroll in the fourth year either under the above-mentioned conditions or under the conditions that were defined for the 2024/2025 academic year.

Conditions for Enrolling in the Fifth Year of Study

To enroll in the fifth year of study, a student must earn at least 30 ECTS credits during the current academic year to enroll as a self-financing student. Additionally, the total number of ECTS credits from courses being carried over and newly enrolled courses (all fifth-year courses) must not exceed 90 ECTS credits.

Repeat-year students may enroll in the fifth year either under the above-mentioned conditions or under the conditions that were defined for the 2024/2025 academic year.

Conditions for Enrolling in the Sixth Year of Study

To enroll in the sixth year of study, a student must earn at least 30 ECTS credits during the current academic year to enroll as a self-financing student. Additionally, the total number of ECTS credits from courses being carried over and newly enrolled courses (all sixth-year courses) must not exceed 90 ECTS credits.

Repeat-year students may enroll in the sixth year either under the above-mentioned conditions or under the conditions that were defined for the 2024/2025 academic year.

Acting Dean

Prof. dr Nataša Milić
