

RESULTS OF THE COMBINED SECOND AND THIRD COLLOQUIUM IN MEDICAL PHYSIOLOGY

Congratulations to students who attended the colloquium!

If you have any questions regarding your colloquium result, you may come on **Thursday, August 21st, 2025, from 2:00 p.m.** (office of the Course Director).

The retake of the colloquium for students who did not attend the colloquium will be held on **Tuesday, August 26th, 2025** in classrooms A and B of the Institute of Medical Physiology, at the end of the exercise.

The retake of the colloquium can be taken by students who did not attend the colloquium.

In accordance with the grading policy (<https://studiesinenglish.med.bg.ac.rs/courses/second-year/medical-physiology/>), each correct answer in the colloquium is awarded **0.15238 points** of the final grade, which makes a total of 16 points based on 105 questions (3×35) across the three colloquia.

By the decision of the Teaching and Scientific Council, all students will be granted **5.33 points** (35×0.15238) for the first colloquium, which was not held. The maximum number of points that can be achieved on the combined second and third colloquium is **10.66 points**.

In the combined colloquium, each correct answer carries **double the weight** in the final grade, meaning that one correct answer is worth **0.30476 points (0.15238×2)**.

Reminder: It is necessary to bring your student indexes to the next practical class in order to obtain the assistant's signature for semester verification.
