# How to register the exam

# When and why do you register for an exam?

- Before taking the exam, it's necessary to register for the exam and if you don't you won't be able to take the test.
  - the exam registration time is usually a few days or weeks before start of the exam period. You can find the start time of the period on the faculty's website in the notification section - academic calendar. The exam registration time will also be published on the website
